online**

**Work a minimum
of 3 hours on
online instruction
daily**

**Attend
in-person
learning a
minimum of 4
days each week**

The staff at Open Campus is committed to helping students get back on track to earn a high school diploma. Students will receive support with the content matter, participate in SOL remediation, and develop skills for job readiness. Individualized learning plans and mini lessons are developed to support each student. The diploma will be awarded through the home school upon meeting the graduation requirements.

In order to attend Open Campus, the student must be attached to a high school in Norfolk Public Schools and must be cleared from the high school principal. The admissions process starts at the home school.

For additional information, contact your child's high school counselor. Once the home school reaches out to Open Campus, we can proceed with the enrollment process.
